To Whom It May Concern

Our company had the pleasure of being serviced by Zoto Trading (Pty) Ltd represented by Mhlonishwa Lamuell Dlamini, who provided us with a biometric time and attendance clocking system, training on the system as well as monthly support serviced for our offices. We can attest to the high calibre of service and professionalism we received and that indeed the system assisted us in greatly enhancing our productivity as an organisation.

We continue to be serviced by Zoto Trading and will do so for the foreseeable future.
